

REMARKS

Claims 14-26 are pending and under consideration. This amendment is believed to place the application in better condition for appeal by correcting certain informalities not subject to appeal. Entry of the amendment is thus requested respectfully.

Objections to the Specification:

The Specification was objected to for using the reference character "S2." The reference character "S2" has been changed to "SZ" in paragraphs [0022], [0023], [0024], [0026], and [0028] of the specification of record. The reference character "SZ." appears in Fig. 1. No new matter has been added. Withdrawal of the objection is earnestly solicited.

Objections to the Drawings:

The drawings were objected to for including the reference character "SZ" in Fig. 1. The reference character "SZ" now appears in the specification, as discussed above. Withdrawal of the objections to the drawings is earnestly solicited.

If there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,
